General agreement

- According to our technical guidelines Pos. 6 – environmental protection – handling of disposal - recycling and removal - is the sole responsibility of Messe FN and/or the contractor stipulated. Based on the principles of the "Closed Substance Cycle Waste Management" (KrWG) as well as on the principles of the "Industrial Waste Enactment" (GewAbfV) in its latest valid version. Disposal of electrical appliances and batteries is not possible. The electrical and electronics device regulations (ElektroG) comes into effect. Hazardous material of all kind and waste-oil are not disposable via Messe Friedrichshafen. Waste has to be separated into paper, wood, glass, plastics, metals. Mixed waste will be charged at the maximum rate.
- Please note: disposal of manufacturing waste during the exhibition may necessitate the use of a garbage container which has to be rented and placed accordingly. This will be taken care of as needed and upon consultation of service partner.

Waste disposal during construction and dismantling

- Due to lawful regulations you are obliged and responsible for the correct removal of all waste and refuse articles that incurred during assembling and disassembling of your stand.
- All types of rubbish/waste (also pollution by dust and paint), that accumulated prior and during stand construction, during the exhibition as well as after dismantling, that were not disposed of will be disposed of by Messe Friedrichshafen on your account including an administration fee.
- Adhesive tapes or adhesive tape remains and/or floor coverings that cannot be removed and still remain after the given dismantling time on the hall floors, will be removed at the exhibitor's expense and invoiced accordingly.

Waste disposal during the exhibition

- A maximum of 80 liters (equivalent to a normal commercial refuse bag) of sorted rubbish (paper, wood, plastics, metal, residual waste) according to the regulation of our "special terms of participation" can be placed well visible in the evenings in the hall aisles.
- For larger amounts, please get in touch with us on-site. Phone no.: +49 (0) 7541 708-125.

Place of jurisdiction is Tettngang, place of performance is Friedrichshafen.
